# Transforming Sexual Narratives

A Relational Approach to Sex Therapy

**Suzanne Iasenza**

*Transforming Sexual Narratives* offers readers the opportunity to address complex sexual problems through Narrative Relational Sex Therapy (NRST).

This essential guide will help therapists to identify their client's secret sexual stories and enable them to rewrite their inner narratives and relationship with sexuality for the better. Sex therapists will be able to integrate a relational perspective into behavioral treatment, individual and couple therapists will be able to weave sexuality into general psychotherapy, and psychoanalysts will be able to use the sexual history to identify early dynamics that affect adult intimacy.

"This is simply a wonderfully written book that acknowledges the unruly multidimensionality of sex and offers a rich understanding of sexual issues and the stories that shape our sex lives. Note this as essential reading for every sex therapist and couple counsellor!"

— **Sue Johnson**, author of *Hold Me Tight: Seven Conversations for a Lifetime of Love*, Canada

"Suzanne Iasenza has written a unique and challenging book which should be on every clinician's shelf. Dr. Iasenza confronts secrecy and shame as she encourages clients to make meaning of the complex themes from childhood and create a meaningful narrative about themselves, and their relational and sexual lives."

— **Barry McCarthy**, Professor of Psychology, American University, USA
